Centre for Advanced Legal Research and Training

Report of the Academic Year 2020-21

In the academic year 2020-2021, to meet the challenge of the lockdown imposed due to covid-19, the centre conducted all its events using online platform of Zoom. The centre utilized this opportunity to avail best resources in the area to impart quality training to the students. Further online delivery of the lecture also made it possible for the centre to reach to the students all over India. To meet the challenge posed due to covid, the centre revised its course structure and decided to introduce new courses on current developing areas and which could be delivered through online mode.

In this academic year the centre conducted following certificate courses:-
