SCLC International Centre

Annual Report 2023-24

The International Centre at SCLC has continued to serve as a key centre for fostering global opportunities and enriching the educational journey of our students. In the academic year 2023-24, the Centre facilitated students' pursuit of higher education studies and forging valuable partnerships with overseas education providers.

The International Centre remained dedicated to providing comprehensive counseling services to students aspiring for higher education studies abroad. The coordinators offered personalized guidance and support to students, assisting them in navigating the complexities of admission processes, scholarship opportunities, and visa requirements.

Through individual consultations, workshops, and informational sessions, students were equipped with the necessary resources and information to make informed decisions regarding their academic and professional aspirations. The Centre's commitment to fostering students' academic and personal growth was evident in the positive response received from students who benefited from the counseling services.

One of the highlights of the year was the successful signing of a Memorandum of Understanding (MOU) between SCLC and Prof. Sathyanarayanan, Director at Overseas Education Pvt. Ltd on 5th April 2024. This strategic partnership represents a significant step

forward in expanding our global network and enhancing opportunities for our students to pursue international education.

Under the terms of the MOU, both parties have committed to collaborating on various initiatives aimed at promoting educational exchange and facilitating student mobility. This includes but is not limited to:

- Providing information and assistance to students interested in studying abroad through Overseas Education Pvt. Ltd.'s network of partner institutions.
- Organizing joint events, seminars, and workshops to raise awareness about international education opportunities and exchange programs.
- Exploring avenues for academic collaboration, such as faculty exchanges, joint research projects, and curriculum development initiatives.

The signing of the MOU marks the beginning of a mutually beneficial partnership that will undoubtedly create new pathways for our students to engage with the global community and broaden their horizons.

Signing of MOU between Overseas Education Pvt. Ltd and SCLC

Conclusion

In conclusion, the International Centre at SCLC has continued to play a vital role in empowering students to pursue their academic and professional aspirations on a global scale. Through comprehensive counselling services and strategic partnerships with organizations like Overseas Education Pvt. Ltd., we remain committed to providing our students with the support and resources they need to thrive in an increasingly interconnected world.

We look forward positively to expanding the reach and impact of the International Centre in the years to come.
