## Intellectual Property Rights Cell

### Annual Report 22-23

Intellectual Property Rights Cell has established in the Academic year 20-21 with an object to create awareness about contemporary issues and latest development in the field of Intellectual Property Rights. Every year Intellectual property rights cell takes various activities for the students such as guest lectures, workshop, poster presentations etc. This year cell has encouraged the students to write and publish their research papers in the area of Intellectual Property Rights.

Following are the major activities conducted in the academic year 22-23.

#### **Guest lecture on 'Traditional Knowledge and IPR- contemporary issues and challenges'**

IPR cell has arranged a guest lecture on 'Traditional Knowledge and IPR- contemporary issues and challenges' by Adv. Hrishikesh Joshi, renowned lawyer, Pune on 2nd December 2022. Sir has explained the term traditional knowledge and its relevance with Intellectual Property Rights under national and international Law. While dealing with interface of indigenous knowledge and community rights over resources he has also emphasized on the contemporary issues in the field of IPR with relevant landmark case laws such as 'Neem Extract', 'Turmeric' etc. Student has given very good feedback about this lecture and suggested to arrange such more sessions.

### **Celebration of World Intellectual Property Rights Day through Poster making activity**

With an object to encourage the students to come up with innovative ideas, creativity and to create awareness through Posters this activity of Poster Presentation is arranged on 26th April 2023 on the occasion of celebration of World Intellectual property Rights Day. Students have given overwhelming response to this activity and actively participated. Students have made posters on contemporary topics such as AI and IPR, IPR and environment etc. and presented the posters.

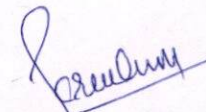

Students along with their posters
