Online Lectures

Their should be more reading books collection.. As I was unable to find some books..  
Otherwise all is good..

The books should be allowed to be kept without hassle of fee.

Library timings should be increased

Please ensure that there is multiple books  
for atleast syllabus

Bring professor Usha Ganesh's Law and Literature books in the Library as soon as you can

--

Request to provide sitting facility in library. In previous library which is under renovation there was less sitting facility. Hope in new library it will be provided.

Playground of college

The books on the topic of International Economic Law, Plea Bargaining are in shortage, that can be resolved!

I would want to suggest to give access of all the books as some books aren't allowed so If that can be done it would be helpful for all the students.

Thank you

Please complete the renovation as soon as possible, other than that there's nothing to complain about college library.

Librarian mam and other library staff are very helpful

Increase parking

Resources which are specifically student oriented like previous year question paper, bare acts, and commentaries should be well updated and should be available in latest version. Time of reading room should be extended.

Need more books in library and in e library as well

A kind request to have/add \*Latest Past Year Exam Papers, as in our library we do have many past year papers But many of them are too old that they have lost there relevance due to reasons like change in syllabus & Paper pattern as well. Thank you!

The previous sitting arrangement of the table and chair combined form is difficult to sit properly and read , instead of that I will suggest for table and chair reading room would be far better options.

In exam time students are allowed to issue specific numbers of books, that should be changed, as subjects are more and we are allowed only 3 books, also during exam students need more time for studies for that we need to make joint application for extending the library timings that should be changed.

Can expand in bba section

Copies of specific books should be increased, as they are not available many times....

Nothing

Improvement can be done in admission process

To make seating arrangement available at the earliest

Need more group activities

More set of reference books needed.

Requirement of books related to law

Extend library timing and improve sitting arrangements in reading room.

acquainted with the list of books they have in the library. And giving autobiographies and other informative books to read was the best initiative.

Thank you!!

Increase in the time of library
