Feedback Analysis and Action Taken Report

(AY.2021-2022)

Date- 30 June 2022

Due to the second wave of covid 19, for the first semester in the academic year 2021-2022, the online classes had to be resumed as per the direction of the Savitribai Phule Pune University. However, in the second semester, offline classes were conducted. The feedback process of the institution was designed accordingly so as to deal with this peculiar situation accordingly .

For evaluating the performance of the college, following feedback processes were used: -

- **Faculty Feedback:** -. Every year feedback of faculty members is taken from students in the structured format. This year each class teacher collected the online feedback of the subject teacher. Criteria wise evaluation of teacher such as use of ICT tools, ability to communicate the contents, ability to maintain the interests of students is done through this feedback.
- **Student Satisfaction Survey:** -For the purpose of understanding the student satisfaction regarding the overall performance of the college, the student satisfaction survey was conducted by using Google form. The questions of the survey are attached herewith. As many as 84 students from various classes have given their response. Their feedback is analysed and discussed in detail.
- **Parent Feedback:** - Parents feedback about their experience with the college and their opinion about the curriculum is taken and analyzed. Parent teacher meeting was also arranged to ascertain the feedback and suggestions from the parents. In one of the meeting, few parents gave the suggestion to share the defaulters list in the WhatsApp group of parents of that.
- **Employer Feedback/Internship Provider Feedback:** - The placement department of the college collected the feedback of the internship and placement providers. The overall feedback is found to be satisfactory.

- **Event Feedback from participants:** - Feedback about various events organized by the college is taken from the participants. These various feedbacks collected at the end of the events were analyzed and discussed in detail.

Observations: -All these feedback processes led to following observations-

1. Average feedback of faculties is found to be more than 60%, which is satisfactory.
2. In the student Satisfaction survey students expressed the satisfaction as to the overall performance of the college with respect to various parameters and it is found to be satisfactory.
3. Feedback from the participants of various events is good. Participants have found the overall management of programs by the institution to be satisfactory.
4. The feedback of certificate courses conducted by the 'Centre for Advanced Legal Research and Training' regarding the content, quality of resource person and number of sessions is good.
5. Following are the pertinent observations as to Student Satisfaction Survey-
 - a. As many as 75.5% of the students feel that the curriculum drafted by the Savitribai Phule Pune University provides the opportunity to develop the skills required for the profession but at the same time 85.7% of students expressed the need to modify the syllabus to adapt itself with changes in the modern society such as cyber-crime etc.
 - b. The overall feedback regarding the satisfaction of students as to the various aspects such as teaching learning environment, overall administration, exposure to curricular and co-curricular activities etc ranges from good to excellent. Overall satisfaction is expressed with respect to teaching and administrative staff. However, there are few suggestions with respect to the library specifically the library timings. Few students have given suggestion for extending the library timings and overall supervision of reading room.

Action Taken Report

- Action Taken: - 1. At the time of conclusion of the academic year 2021-2022 the feedback received from different stakeholders was discussed in the staff meeting held by the Principal.
2. The faculty feedback was communicated to each faculty in person. For updating the faculty about the use of technology in teaching and current development in contemporary legal world faculty members were given support for attending various faculty development programmes and for presenting papers in various national and international seminars and conference. The faculties were also offered the financial assistance to publish their articles in the Scopus Indexed Journal.
3. Regarding the feedback received about the library specifically the extension of time library committee was given the responsibility to work out the mechanism for making the library available for the students for most of time, specifically during examination period. The overall revamping of the library specifically the physical infrastructure was decided to be taken in consideration on primary basis.

Further Action Report

1. The feedback analysis report for the academic year 2021-2022 was forwarded to the IQAC and College Development Committee. Overall feedback was observed to be satisfactory.
