SCLC's Internal Quality Assurance Cell organised a **Career Guidance Program** titled, ***'Navigating Futures: Exploring Diverse Career Horizons in Europe'*** on **Monday 11th March 2024.** The purpose of the Program was to initiate collaborative activities like Faculty-Student Exchange Programs and internship opportunities for students with the Indo-European Education Foundation, Poland.

Delegates from the Indo-European Education Foundation, Prof. Dr. Pradeep Kumar (President, Indo-European Education Foundation, Poland) and Prof. Dr. Serge Velesco (University of Applied Sciences, Germany) visited two Campuses of Marathwada Mitra Mandal, namely; College of Engineering, Karve Nagar and Shankarrao Chavan Law College, Deccan Campus, Pune.

In the first session, after felicitation of the guests, organised at the College of Engineering, Karve Nagar Campus, the Delegates interacted with the Principals and faculties of various Institutes run by Marathwada Mitra Mandal focusing on academic collaborations and learning opportunities to be provided to students.

After listening to the presentations given by the Principals and faculties, Prof. Dr. Pradeep Kumar addressed the meeting wherein he first introduced the purpose of his visit, the work done by him as President of the Indo-European Education Foundation Poland, and various collaborative activities that have helped aspiring students explore global opportunities in European countries. As per the points noted by him while listening to the presenters, he addressed all the areas where every Institute can diversify its scope in enriching the knowledge of students along with the opportunities they would get after getting associated with the Foundation. He highlighted that MMM has a huge scope for its students in European countries ranging from upgrading academic credentials to intellectual grooming.

The second session was conducted post-lunch, where the Delegates interacted with the students of law with the objective to making them understand the significance of Exchange Programs and internships at international level. By congratulating the students and faculties, who are part of the 2nd Industry-Academia visit to the European Union, Prof. Dr. Pradeep Kumar highlighted the benefits of such activities initiated by the College.
