## THE TRAINING & PLACEMENT CELL

(A.Y.2022-2023)

### DEPARTMENT REPORT

*"Inspiration does exist, but it must find you working"*

With this value, The Placement Cell started its various activities with full enthusiasm for the academic year 2022-23.

#### Registration Data

The placement cell conducted a profiling exercise for final year students. The purpose of this exercise was to segregate students based on their interests and career aspirations. The placement cell established an official communication group to disseminate relevant information to the students. Notably, the group included students from all years of study, not just final year students. Importantly, there was no registration fee associated with joining the Placement Cell, and it was open to all students.

#### SKILL & KNOWLEDGE ENHANCEMENT ACTIVITIES

Skill enhancement activities are crucial for personal and professional growth. In today's fast-paced and dynamic world, continuous learning and improvement are essential to stay relevant, competitive, and successful. With a View to equip the students with the relevant skills and

knowledge to explore and thrive in the ever-competitive legal world, the Cell conducted following activities throughout the academic year –

### In house Training & Development Programs

The Placement Cell organized Mock Interviews for the Students on 13<sup>th</sup> and 18<sup>th</sup> April 2023. Total 28 students participated in this. The objective of the mock interview was to **simulate a real interview scenario** and provide students with a **hands-on experience to enhance their interview skills and confidence**. The primary goals of the mock interview were to help students develop and improve their **interview skills, including effective communication, articulation of thoughts, and professional presentation**. It provided a platform for students to practice and refine their interview techniques.

The mock interview allowed students to assess their performance objectively. It helped them identify their strengths and areas that need improvement, such as body language, response clarity, or confidence level. This self-assessment enabled students to focus on specific areas and work on enhancing their overall interview performance.

The mock interview provided students with **constructive feedback and guidance from experienced professionals**. Overall, the objective of the mock interview was to equip students with practical interview experience, self-assessment opportunities, and constructive feedback,

ultimately enhancing their interview skills and increasing their chances of success in real-life interviews.

## Internships

Apart from this, students are to pursue long term and short-term internships at various Commissions of the Government like NHRC, Law Commission, NALSA, ROC and RBI and at the offices of various litigation and non-litigation firms. Before sending students for the interviews, the Training & Placement Officer along with Faculty Advisor conducted Sessions for prospective candidates in order to give them brief idea about the nature of interview, the firm and the work profile. Accordingly, **100 students and still counting** have secured internships in the respective offices and successfully completed them till date. Many of them are also pursuing the same till date and yet to be calculated. The list of the students is as below-

#### CONCLUDING REMARKS:

In conclusion, this placement cell report serves as a comprehensive analysis and reflection of our efforts, achievements, and challenges in facilitating successful placements for our esteemed students. As a team, we have tirelessly worked to bridge the gap between academia and

industry, equipping our students with the necessary skills and knowledge to thrive in the professional world. Throughout this report, we have highlighted the various initiatives, workshops, and training programs that have been instrumental in honing our students' abilities and grooming them into well-rounded individuals. While we celebrate our accomplishments, we also acknowledge the areas where improvements can be made. We remain committed to enhancing our services, leveraging technology, and exploring innovative methods to cater to the diverse needs of our student body and the ever-evolving job market.
