"Success is not final; Failure is not fatal. It is the courage to continue that counts"

With this value, The Placement Cell started its various activities with full enthusiasm for the academic year 2023-24.

Registration Data

The placement cell conducted a profiling exercise for final year students. The purpose of this exercise was to segregate students based on their interests and career aspirations. The placement cell established a official communication group to disseminate relevant information to the students. Notably, the group included students from all years of study, not just final year students. Importantly, there was no registration fee associated with joining the Placement Cell, and it was open to all students.

In house Training & Development Programs

The Placement Cell organized Mock Interviews for the Students on **13th and 18th April 2023**. Total 28 students participated in this. The objective of the mock interview was to **simulate a real interview scenario** and provide students with a **hands-on experience to enhance their interview skills and confidence**. The primary goals of the mock interview were to help students develop and improve their **interview skills, including effective communication, articulation of thoughts, and professional presentation**. It provided a platform for students to practice and refine their interview techniques.

The mock interview allowed students to assess their performance objectively. It helped them identify their strengths and areas that need improvement, such as body language, response clarity, or confidence level. This self-assessment enabled students to focus on specific areas and work on enhancing their overall interview performance.

The mock interview provided students with **constructive feedback and guidance from experienced professionals.**

Overall, the objective of the mock interview was to equip students with practical interview experience, self-assessment opportunities, and constructive feedback, ultimately enhancing their interview skills and increasing their chances of success in real-life interviews.

CAREER READINESS WORKSHOP BY MS. POOJA BAGHEL

Our in-house faculty and Placement Coordinator, Ms. Pooja Baghel, conducted comprehensive grooming sessions for the students of the Placement Cell. These sessions focused on enhancing professional skills, interview techniques, and overall readiness for successful placements.

Campus drives serve as a vital bridge between academic institutions and the corporate world, providing students with the opportunity to secure employment and internships with prestigious organizations. These recruitment events enable companies to connect with fresh talent, assess their skills, and offer career opportunities, while students gain firsthand experience in professional interviews and assessments. A successful campus drive not only enhances students' career prospects but also strengthens the institution's reputation for producing industry-ready graduates.

INTERNSHIPS 2023-2024

Apart from this, students are to pursue long term and short-term internships at various Commissions of the Government like NHRC, Law Commission, NALSA, ROC and RBI and at the offices of various litigation and non-litigation firms. Before sending students for the interviews, the Training & Placement Coordinators conducted Sessions for prospective candidates in order to give them brief idea about the nature of interview, the firm and the work profile. Accordingly students have secured internships in the respective offices and successfully completed them till date.

The Training and Placement Cell greatly appreciates following students taking the initiative to pursue internships and engage in experiential learning, which is crucial for their development in the field of law. We commend their dedication and efforts in gaining practical experience. We also want to acknowledge their achievements and congratulate them on the successful completion of their internships. Their hard work and commitment are truly commendable. The list of the students is as below-

This report aims to serve as a comprehensive analysis and reflection of our efforts, achievements, and challenges in facilitating successful placements for our esteemed students. As a team, we have tirelessly worked to bridge the gap between academia and industry, equipping our students with the necessary skills and knowledge to thrive in the professional world. Throughout this report, we have highlighted the various initiatives, workshops, and training programs that have been instrumental in honing our students' abilities and grooming them into well-rounded individuals. While we celebrate our accomplishments, we also acknowledge the areas where improvements can be made. We remain committed to enhancing our services, leveraging technology, and exploring innovative methods to cater to the diverse needs of our student body and the ever-evolving job market.

COMPULSORY INTERNSHIPS FOR FINAL YEAR STUDENTS AS PART OF EXPERIENTIAL LEARNING

Compulsory internships for final-year students are an essential component of experiential learning, offering them the opportunity to apply theoretical knowledge in real-world settings. These internships bridge the gap between academia and industry, enhancing students' practical skills, professional networks, and understanding of workplace dynamics. By engaging in hands-on experiences, students develop critical problem-solving abilities, gain industry insights, and improve their employability, preparing them for successful careers post-graduation. Following students participated in the following:

Concluding Remark:

As we conclude another successful academic year, the Placement Cell takes immense pride in its efforts to bridge the gap between academia and industry. The year 2023-2024 has been a testament to our unwavering commitment to nurturing talent, fostering growth, and creating meaningful career opportunities for our students.

With every placement, internship, and initiative, we have moved closer to our vision of empowering students to excel in their professional journeys. We extend our heartfelt gratitude to the recruiters, faculty members, and students who contributed to this year's achievements.

Looking ahead, we remain steadfast in our mission to build on this success, ensuring that the Placement Cell continues to be a cornerstone of career development and excellence. Together, we will strive to set new benchmarks and inspire even greater accomplishments in the years to come.
