Pune-4

Library should be open on Holiday

Put more books and stuffs related to modern law , case laws and other evolving topics and ofcours more copies of one book

No books available Or Less books for the subjects of air space maritime and consumer protection laws.

Nil.

We could have some books related to topics which are out of the syllabus, but still realating to law. For eg., International terrorism, Global politics, Economical Aspects of today etc.

Campus facilities

Going back to the questions on the previous page of the Google form, I believe there is need for a focus on skill-based education as a part of our curriculum (for eg., if we have criminal law, having cross examination as an exercise that is associated with the subject would be beneficial) Having things like Client Counselling starting from as early as the 3rd year (of the 5 Year B.A., LL.B course would help acquaint all the students of a batch with the requisite skills when it comes to dealing with clients – which is the most fundamental of the requirements in our profession. Particularly, as opposed to the usual bringing of 5 law subjects starting from our 3rd year, having workshops maybe (if subjects are not possible) on client counselling or legal drafting with scoring (specifically for that activity) would be beneficial. So maybe something along the lines of 5 subjects and 3 workshops (for three different skills required in the profession) being mandatory in an year would be a good start.

Everything is good

No Suggestions. They're doing just Perfect

Please try to teach in both therotical as well as practical way

All good

Online database of the available books/resources would be more helpful.

Please upload bballb 2nd year previous year question papers it's urgent..

Nothing

the facilities provided by the faculty are solid

AIR and manupatra subscription are not working properly...
SCC online subscription should also be worked out

the library should keep it updated with the latest editions of books not old editions after which many amendments and case laws has come

As law student we need to have knowledge on various branches. It's practically not possible to have all such related books but atleast those related to curriculum should provided. For example we have pretty low number of books on Agriculture

The desk which are provided in library could have been more efficient if there was charging socket for each desk. Since majority of the work/research and submissions is in online mode, many a times the students use their own laptops for the same. At present there are only few sockets available i.w. behind the reading room door, librarians desk and one at right hand corner. This makes the students to opt for empty classroom for work or not using library and e-resources at the same time.

None

Need better way of handling

No suggestions as they are already cooperative.

Books are not available at all. The staff behaviour is unprofessional and unhelpful

Waiting for viva in corridor. Time slots must be fixed

May be formation of groups (of students) case studies/case laws

If possible please upload more question papers for e-library

re issue of books shall also be digitally available

New edition of books is not available

.

Please figure out solution for problems faced while accessing e-library

Client councling competion, deal mediation competion, Advocacy competion, trail advocy moot competion must be held in our college.

Guest lecture regarding arbitration, mediation must be held in our college.

The infrastructure can be improved and things can be done for proper ventilation taking into consideration about the fans present and the washroom can also do better or the 5th floor washroom should be available for students as well.

Everything serves the purpose.

There is no drinking water facility

Administrative Staff(Office)

1.Please rate the performance of the administrative staff with respect to various processes such as admission, examination etc

Copy

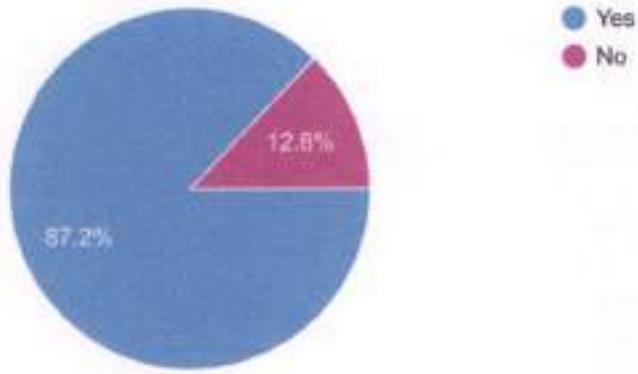
4. Is the administrative staff coperative and helpful?

Copy

180 responses



None

Administrative staff is so rude

Cateen can be better this is worst canteen

The administration is extremely poor. The behaviour was very unhelpful. Simple tasks and issues take forever to be solved.

Provision for better air circulation in class rooms

infrastructure - classrooms to students ratio, washroom

Understanding is less they should understand students reasons.

Should address the concern with some sense of responsibility and respecting the time

Staff is very rude to students. We understand that some students cause real hardship to them but not everyone.
Punctuality need to observed by the staff.

Feedback about the overall performance of the college

Please grade the Shankarrao Chavan Law College (SCLC) with respect to following criteria

Copy

Suggestions if any-
