Title	: Remedial Course in English Language Efficiency
Schedule	: November – December 2025
Attendees	: 1st Year B.A.LL.B. Students (21)
Timings	: 11:00 am - 12:00 noon
Objective	: To transform the abilities and practical skills of students who need to strengthen their potential and grow professionally

A Remedial Course in English Language Efficiency was organised for the 1st Year B.A.LL.B. students in the month of November and December this year intended to improve students' basic English communication, grammar, reading, writing, and speaking skills. Various practically-inclined interactive Sessions, e.g., Flawless uses of Tenses, Parts of Speech, Articles, Body Language, LSRW Skills, etc., were conducted keeping in view the needs of students and responses received after having a preliminary discussion with them.

21 students, who got registered through a Notice circulated in their official Whatsapp Groups, participated in the Course. A total of 15 Sessions were conducted by considering various topics, a list of which is given below.

After every intensive session, student-participants were asked to come forward and speak on the topics of their choice for 30 seconds each. Additionally, home activities were given to them, namely; loud reading to improve pronunciation, voice modulation, pitch, tone, intonation, silent reading to improve comprehension skills, express fearlessly by looking at a mirror, etc. all of which helped them build-up confidence and make improvements. Also, one-to-one counselling and inputs were provided to ensure various lacunae are addressed. The Course was co-ordinated and conducted by Dr. Chandramani Bhalerao, Faculty of English.
